

Alice in Wonderland Call List

Unless otherwise noted rehearsal times are 4:30-6pm

Please take note:

Jury and **Spectators** are two groups of roles that appear in the trial scene (Act 2, Scene 2 c-f). They have ad-lib lines and reactions to learn, but are not needed at all the rehearsals of those blocks. Please see the list below for which group a role is included in and review their required rehearsals carefully. At times a portion of the group will need to come to rehearsal, but not everyone.

Jury: Footman, Tweedledee, Tweedledum, Spade 2, 5, 7, 8, Turtle, Gryphon, Duchess, Lady 1,2

Spectators: Heart children, Courtier 1,2

Explanation of abbreviations:

The color blocks are made of portions of acts and scenes with the same characters in them. Abbreviations are used to indicate which act or scene will be rehearsed. For example, the Red Block contains **Act 1, Scene 1 part b** and **Act 2 Scene 2 part c** (A1S1b & A2S2c). The pages contained in each portion of each scene are listed in the box on the bottom of the second page of the rehearsal schedule.
