

Smiles & Frowns Playhouse Photograph/Video Release

Dear Parent,

The Smiles and Frowns Playhouse board generally communicates via our website (www.smilesandfrowns.org) and social media, on Twitter @SmilesFrowns and Facebook at <https://www.facebook.com/SmilesandFrownsPlayhouse>. These locations include pictures of previous productions, audition and production dates, contact information, and basic information about how to get involved and support children's community theater.

As an organization, Smiles and Frowns Playhouse is very appreciative for the support of the children and families who are involved with our productions and activities. We also respect children's and families' right to privacy. We therefore ask permission to use picture(s) and infrequently videos of your child(ren) on our digital platforms.

If you give permission for your child(ren)'s image(s) to be used, please sign the bottom portion of this form.

This release will remain in effect until you provide a written request to Smiles and Frowns Playhouse for the removal of your child(ren)'s images from the website.

Thank you for your continued support of Smiles and Frowns Playhouse!
