

# Smiles & Frowns Playhouse Photograph/Video Release

Dear Parent,

The Smiles and Frowns Playhouse board is always in the process of updating our means of communication through our social media venues. The address for our website is [www.smilesandfrowns.org](http://www.smilesandfrowns.org). We can also be found on Facebook at <https://www.facebook.com/SmilesandFrownsPlayhouse/>. These media offer many features such as pictures of previous productions, audition and production dates, contact information and ways to get involved and support children's community theater. For updates and changes and information go to our Twitter account @Smiles and Frowns Playhouse.

Smiles and Frowns Playhouse also appreciates the families of these children and respects their right to privacy. We therefore ask permission to use picture(s) and very infrequently videos of your child(ren) on this website.

If you give permission for your child(ren)'s image(s) to be used, please sign the bottom portion of this form.

This release will remain in effect until you provide a written request to Smiles and Frowns Playhouse for the removal of your child(ren)'s images from the website.

Thank you for your continued support of Smiles and Frowns Playhouse!
